

# Running Wild, Heads Or Tails

Liars and deceivers  
We are a thorn in their side  
'Cause we are insisting on our rights  
Fed up with their tutelage  
Which we will overcome  
We will stand, so they will run

Evil machinations  
For power and for wealth  
They stick at nothing for themselves  
Senile and restrained  
They say they know what's wrong or right  
You know, true evil will never see the light

Heads or tails, which way you will choose now?  
Die or live, surrender or fight?  
Wild and free, together we'll stand  
Strong and proud, we claim our rights

They say I am a sinner and seducer  
They try to put the blame on me  
Don't give a fuck for the way they see  
Stand up and you'll win  
Surrender and you'll lose  
It's heads or tails, you have to choose

Heads or tails, which way you will choose now?  
Die or live, surrender or fight?  
Wild and free, together we'll stand  
Strong and proud, we claim our rights
