

Runrig, Stepping Down The Glory Road

Footprints around the world
Your beauty in the blue
Stepping down the Glory Road

Let's go dancing for survival
To the lyric of your youth
Stepping down the Glory Road

The way you sing will shine out
Illuminate the way you grow
Stepping down the Glory Road

Capture your heart it's breaking
To celebrate your giving
Gracenotes on every heartstring
The beauty in the pure
Stepping down the Glory Road

So resurrect the bards
Liberate the word inspired
Stepping down the Glory Road

You know that joy like great art
Should take you to the skies
Stepping down the Glory Road
The dark side of the soul
You've never known you never will
Eisd ri eubh do mhian
Stepping down the glory road

Eisd ri eubh do mhian
Stepping down the glory road
Eisd ri eubh do mhian
Stepping down the glory road
