

Rus, Like A Hurricane

Heya Ney Come to me,
Heya Ney, Run to me,
Heya Ney, Sweep me off my feet again.
Heya hey Come to me,
Heya hey, Come to me
Heya hey, Run to me,
Heya hey, Lift me up like a hurricane
Let our feet move to the music
Let our hearts sing to every beat,
Watch as our bodies glisten in the heat.
