

Rush, Different Strings

Who's come to slay the dragon?
Come to watch him fall?
Making arrows out of pointed words
Giant killers at the call?
Too much fuss and bother
Too much contradiction and confusion
Peel away the mystery
Here's a clue to some real motivation

[Chorus:]
All there really is
The two of us
And we both know why we've come along
Nothing to explain
It's a part of us
To be found within a song

What happened to our innocence
Did it go out of style?
Along with our naïvete
No longer a child
Different eyes see different things
Different hearts beat on different strings
But there are times
For you and me, when all such things agree

[Chorus]
