

# Rush, Hemispheres III. Armageddon

The universe divided  
As the Heart and Mind collided,  
With the people left unguided  
For so many troubled years.  
In a cloud of doubts and fears,  
Their world was torn asunder into hollow  
Hemispheres.  
Some fought themselves, some fought each other,  
Most just followed one another  
Lost and aimless like their brothers  
For their hearts were so unclear  
And the truth could not appear  
Their spirits were divided into blinded  
Hemispheres.  
Some who did not fight  
Brought tales of old to light.  
"My Rocinante sailed by night  
On her final flight."  
To the heart of Cygnus' fearsome force  
We set our course  
Spiralled through that timeless space  
To this immortal place.
