

Rushlow, Texas Is My Kind Of Town

That Austin City Limits sign is callin me in
Headed down to Sixth Street to hear some great unknown again
It just feels good to have my boots on sacred ground
Yeah, Texas is my kind of town
Yeah, Texas is my kind of town - oh

Don't need to be in Mexico, sittin' in the sand
I'll be in Mi Tierra's with a margarita in my hand
There's plenty of Spanish dancers there
To go around
Yeah, Texas is my kind of town

(CHORUS)

When I need to roam
Spread my wings and just let go
I just roll my own wheels down the road
Through my kind of town, yeah

Well, there's cowboys and hippies everywhere you go
Some guy named Billy Bob gave me my first show
I heard a DJ named Cactus
Yeah, he's diggin' my sound
Oh, Texas is my kind of town

(REPEAT CHORUS)

There's somethin' in the water, yeah there's somethin' in the wine
There's somethin' in the spirit here that stands the test of time
Need I mention the women, 'cause they make us all so proud
Yeah, Texas is my kind of town
Yeah, Texas is my kind of town

My kind of town, Ooo yeah
Yeah, it's my kind of town, yeah
Texas is, Texas is my kind of town
Texas is, Texas is my kind of town
Texas is, Texas is my kind of town
That's right, yeah
