

# Ruslana, Wild Dances, Pt. 2

I am your dream tonight  
The one that you can't fight  
The stars are clear and bright  
And I will dance for you all night  
Tell me have you ever been to magic land  
Tell me have you ever seen the magic dance

Go go go wild dancers!

[CHORUS]

Na na na na na na na  
Go wild dancers  
Na na na na na na na  
Go go go wild dancers  
Na na na na na na na  
Go wild dancers  
Na na na na na na na  
Go go

I know this all is new  
It may look strange to you  
Tonight each move is true  
Whatever we will do  
Tell me have you ever been to magic land  
Tell me have you ever seen the magic dance

[CHORUS]

Na na na na na na na  
Go wild dancers  
Na na na na na na na  
Go go go wild dancers  
Na na na na na na na  
Go wild dancers  
Na na na na na na na  
Go go

Come one  
Let's bring on the fire  
In the night of desire  
I can read what's on your mind  
And it's making me wild

[CHORUS]

Na na na na na na na  
Go wild  
Na na na na na na na  
Go go go wild dancers  
Na na na na na na na  
Go wild  
Na na na na na na na  
Go go go wild dancers!
