

Russ Castella, Dirty Girl

(feat. Tiffany Trezzo)

Come and play with me
Close your eyes and dream
Cause I'm going to be your fantasy

Come and play with me
Cause I'ma be your fantasy
I'll be your dirty girl

Come and play with me
Close your eyes and dream
Cause I'm going to be your fantasy
I'll be your dirty girl

Come and play with me
Close your eyes and dream of me
Cause I'm going to be your fantasy
Why? Because, you know that
I'm going to be your dirty girl

Come and play with me

Bad bad girl (bad bad girl)
You're such a dirty girl (I'm such a bad bad girl)
You're such a bad bad girl (Such a bad bad girl)
Such a dirty girl

Go sit in the corner now
And think about your nasty thoughts (nasty thoughts)
You're such a dirty girl
Such a naughty girl

Come and play with me
