

Russ Lee, Live What I Believe

These are the days
For the children of faith
To stand up and be counted
Now is the time
For the light in us to shine
On whoever's around it

One life can be the proof
Of the hope that is You

I'm gonna live what I believe
I'm gonna walk that line
If it costs me everything
I'm gonna stand for what is right
So that everyone can see
It's Jesus that they need
I'm gonna live what I believe

The world will see God's grace
When we work and we pray
And then love like we mean it
if there's ever been a day
To give ourselves away
Well, I think we're in it

There's a passion deep inside
For my life to testify

Lord, let me be used
As a witness for You
With faith and conviction
You've called me by Your name
And I will not be ashamed

Gonna walk that line
I'm gonna stand for what is right
Hey, it's Jesus that they need
