

# Russell Crowe & 30 Odd Foot Of Grunts, Oblique

(Crowe/Cochran/Adam)

Lust betrayal attitude  
I'm back from the brink  
Took my turn at playing Robin Hood  
And I'm paying for the fantasy  
You'd like to live you think

I come home now  
The streets are so quiet  
Reality becalms us all  
So scared now  
I'm trying to hide it  
Hide my love inside your walls  
Hide my love  
Inside you

Oblique is my love  
Take me in  
Please take me back  
Oh bleak is my love

Blame me for the distance  
Shame me with the difference  
Play on all my weakness  
But love me when I need it  
Said love me  
Oh love me  
When I need it

Oblique is my love  
Take me in  
Please take me back  
Oh bleak is my love  
Oblique is my love  
Take me in please take me back  
Take me back  
Take me back  
Take me back  
How am I gonna live?  
How am I gonna live?  
Take me back  
Take me back  
Take me back  
How am I gonna live?  
How am I gonna live?
