

# Russell Watson, Can't Help Falling In Love

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I say would it be a sin  
If I can't help falling in love with you  
Like a river flows (Oh)  
To the sea (Oh)  
So it goes  
Some things are meant to be  
Take my whole life too (life too)  
For I can't help falling in love with you  
To the sea (Oh)  
So it goes  
Some things are meant to be  
Take my hand (take my hand)  
Take my whole life too (life too)  
for I can't help falling in love with you  
For I can't help falling in love with you

Take my hand (take my hand)

Like a river flows
