

# Russell Watson, Faith Of The Heart

It's been a long road  
Getting from there to here  
It's been a long time  
But my time is finally near

And I can feel the change in the wind right now  
Nothings in my way  
And they're not gonna hold me down no more  
No there not gonna hold me down

Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith  
I've got faith  
Faith of the heart

It's been a long night  
Trying to find my way  
Been through the darkness  
Now I finally have my day  
I will see my dream come alive at last  
I will touch the sky  
And they're not gonna hold me down no more  
No there not gonna change my mind

Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith  
Faith of the heart

I've known a wind so cold and seen the darkest days  
But now the winds I feel are only winds of change  
I've been through the fire and I've been through the rain  
But I'll be fine

Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith  
Faith of the heart

Faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
That no one's gonna bend or break me  
I can reach any star  
I've got faith  
I've got faith  
Faith of the heart

Its been a long road
