

Russell Watson, Nothing Sacred

If a love as strong as ours
Couldn't make it all the way
Can anything make sense at all?

If a love so deep and true
Couldn't stand the test of time
Then Mount Everest could slide
And Jerusalem could fall

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth the fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
If we can say goodbye
Is nothing sacred anymore?

Our love was as certain as the dawn
As solid and safe as it ever could be
Our love was a star you wish upon
And you thought that I said "you";
I could have sworn that you say "me";

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth the fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?

Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth the fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
If we can say goodbye
Is nothing sacred anymore?
Is nothing sacred anymore?
