

Ruth, Cross The Line

This is where it starts, this is where it ends.
You said it and I'm ready.
It's the start of something new,
and it's creeping inside you.
To the heart of who you are.
You're gonna cross this line, and now's the time.
You're gonna know where you're going.

Tell me that You want me,
tell me that You see me.
I'm giving You everything I have,
giving You everything I have.
Tell me that You want me,
tell me that You see me.
I'm telling You right now, here I am.

You're not giving up.
You're not giving in to the life you knew before this.
You're gonna cross the line, and now's the time.
You're gonna know where you're going.

Tell me that You want me,
tell me that You see me.
I'm giving You everything I have,
giving You everything I have.
Tell me that You want me,
and that You see me.
I'm telling You right now, here I am.
I am.

And I am always Yours.
Give You my heart, my mind, and my soul.

Tell me that You want me,
tell me that You see me.
I'm giving you everything I have,
Giving you everything I am.
Tell me that You want me,
and that You see me.
I'm telling You right now, here I am.

Tell me that You want me,
tell me that You see me.
I'm giving you everything I have,
Giving you everything I am.
Tell me that You want me,
and that You see me.
Cause Here I am.
I'm telling You right now, here I am.
