

Rutles, Blue Suede Schubert

Well you can take it any way you want
You can shake it till it's back to front
If you rock it till it's inside out
Let me tell you what it's all about
It's a rock 'n roll symphony
and it's gonna be the death of me
They call me Blue Suede Schubert
The king of the bop
Blue Suede Schubert
I just can't stop
When I get that beat
my music is complete
Ow!

Well, it's crazy but you know it's true
You gotta do what you gotta do
And I'm gonna have to sing my song
while the back beat's going strong
Everybody rock 'n roll 'n more
even rolling all around the floor

They call me Blue Suede Schubert
The king of the bop
Blue Suede Schubert
I just can't stop
When I hear that drum
I'm gonna blow to kingdom come

They call me Blue Suede Schubert
The king of the bop
Blue Suede Schubert
I just can't stop
When I get that beat
my music is complete

Blue Suede Schubert
Blue Suede Schubert
Blue Suede Schubert
Blue Suede Schubert

Blue Suede Schubert
when I'm dead I'll drop
