

Rx Bandits, In All Rwanda's Glory

What do you want to be?
Would you fight for your country?
Leaders say "why don't you pick up a gun
and shoot at somebody?"
But they're only gonna protect you when
the dollar sign is right
There's a war in every nation but we turn
our heads deny.
Human rights went on vacation
Money took over a long time ago
Cry for this racial war in all Rwanda's Glory
There ain't no glory in a war. Aint no glory
A black man or a white man
or an Asian or a Mexican
or a African or a South African
or a Serbian or a Libyan
You're all one race, the human race
Just a different smile for a different face.
