## RxBandits, Saw Red

(Originally by Sublime and Gwen Stefani)

every day I love her a little bit more a little bit more, a little bit more every day I love her just a little bit more and she loves me the same every day I love him a little bit more a little bit more, a little bit more every day I love him just a little bit more and she loves me the same

(Chorus) baby if ya wanna get low baby if ya wanna get high it makes no sense at all i saw red i saw red i saw red one more secret lover that I shot dead

every day I wake up, just a little bit more feeling like a dog in the yard because it's just how we are and every day I wonder if it's over When I wake up I realize that it not and I break down the wall you say it's black but I can't believe you and if I say it's white say I'm just trying to deceive you and baby, I'm aware of the high and the low and I'll be waiting in the middle but I just lack control

(Chorus)

girls don't go crazy girls don't go crazy oh girls don't crazy when the men use you oh women hold your men tight if it makes you feel all right it's your own life
