

Ryan Adams, From Me To You

Sunny day, I feel fine
Sunny day, you're not mine
Thoughtless things run through my head
I can feel just like I did
When I, I was free

Motions to go through
Moving strong
From you to me
From you to me

It's a sunny day, on my beach
Sunny girls, out of reach
Of all the games we used to play
My favorite one was go away
I learned a new one, divide

Thoughtless and shallow
Waves move through me
From you to me
From you to me
From you to me
