

# Ryan Adams, Natural Ghost

Well I was waitin' around for somebody to die  
Nobody did but a part of me died  
I suppose from all that waiting  
These things they pass in time but the moments  
Get real and it's hard sometimes  
I think of someone that I'd like to be  
And I hold that in my mind  
But there's always tonight, tonight

And you, you make me feel like  
I'm here when I'm not  
And it, it makes me feel like I'm not here  
You, you make me feel like I'm not here  
But I am, I am more than you think I am

Take a picture of your life for a second now  
Freeze it and look at the screen  
What parts of you were daydreams,  
Illusions, and other things  
These things they pass in time but the moments  
Are real and it's hard sometimes  
Keep the faith, keep moving in time to the music rolling in your mind,  
And when you stay home tonight it can become your home

You, you make feel like I'm here when I'm not here  
And it, it makes me feel like I'm not here  
You, you make me feel like I'm not here  
And I am, I am more than you think I am  
I am, I am more than you think I am

You make me feel like a natural ghost  
You make me feel like a natural ghost  
You make me feel like a natural ghost  
You make me feel like a natural ghost
