

# Ryan Adams, Nuclear

This is where the summer ends  
In a flash of pure destruction, no one wins  
Go nuclear. Nuclear.  
The violets in my eyelids goin' red  
Sentimental geek  
Shut up and go to sleep

The calm, the beach and the remains  
Of the bathing suits and Porsches all in flames  
Go nuclear. Nuclear.  
When I saw her and the Yankees lost to the Braves  
Sentimental geek  
Shut up and go to sleep
