

Ryan Adams, Pearls On A String

Blue eyes for miles
Pretty as a peach
Glorious kind and always on the time never far out of reach
Tomorrow's on its way
And there's always new songs to sing
Glorious kind and always on time like pearls on a string
Soft precious and easy
Under the sea
If you dive down far enough to the bottom look around and you will see
Tomorrow's on its way
And there's always new songs to sing
Glorious kind and always on time, pearls on a string
Glorious kind and always on time, pearls on a string
Sun shining down
Children laugh and play
Glorious kind and always on time out there in the day
Tomorrow's on its way
And there's always new songs to sing
Glorious kind and always on time, pearls on a string
