

# Ryan Baxley, This Hour Of Loneliness

This may not be what we want  
But now this is what we need  
I think we should take some time  
To find out where we should be

A single month's not too long  
I'm sure we can make it through  
This hour of loneliness  
It's so hard not to think about you

Go home and read the good book  
And think upon what you read  
Follow what Jesus has said  
And try not not think about me

This may not be what we want  
But now this is what we need  
I think we should take some time  
To find out where we should be

A single month's not too long  
I'm sure we can make it through  
This hour of loneliness  
It's so hard not to think about you

Go home and read the good book  
And think upon what you read  
Follow what Jesus has said  
And try not not think about me  
Follow what Jesus has said  
And try not not think about me  
Try not not think about me  
Try not not think about me
