

Ryan Cabrera, In My Life

Well I'm wanting to know you
I just want to be in your arms
We'll fly away and I hope soon
That this side of me, is willing to be
all of the things that you want to see now
well I'm asking if you'll let me in
To your world where I've never been
cause in my life, I let it all hang down
I just want to know you're awake
Cause in my life, I'll never touch the ground
I just want to know its all alright
cause it won't be long
Well it's gone any day now,
and I'm hoping I'm wrong
we'll fly away and I hope you
that you can be strong, cause it wont be long
till the day that I can stand up in your arms
