

Ryan Duarte, You Think

you think your just another man in my dreams
but you dont know what you mean to me
you dont know that your my one and only
and that you can be my prince charming

(chorus)
oh you dont realize
what im feeling inside
and that im always thinkin of you
I dont know if im supposed to

oh oh oh yea yea yea yea
oh oh oh oh oh oh

you think your just some guy I meet
you dont know that your always my head
you dont realize what my heart is saying to me
but im not sure if I know it means

(chorus)

you think your just another man in my dreams
