

Ryan Huston, Already Wasted

I'm already wasted
Take me to bed
I'm feeling so dizzy
Its all in my head
I just cant remember
What brought me to this
The room is still spinning
Or maybe its me

This is all I am this is me at my worst
Don't judge me yet
Just let me explain first
I was the guy didn't know what to do
So here I am, I know its no excuse

I'm already wasted
Please forget what I said
Do u mind if I lay here
I just want my bed
Are you still wondering
What happened to me
The room is still spinning
And I just cant sleep

This is all I am this is me at my worst
Don't judge me yet
Just let me explain first
I was the guy didn't know what to do
So here I am, I know its no excuse

I'm already wasted
Atleast so I think
I think I feel better
So get me a drink

This is all I am this is me at my worst
Don't judge me yet
Just let me explain first
I was the guy didn't know what to do
So here I am, I know its no excuse
