

# Ryan Leslie, How It Was Supposed To Be

Fresh like the kiss of morning dew  
That's how it felt that day we met  
And I first laid eyes on you (yeah)  
It's like you walked right about my fantasy  
And then you left that day  
Girl why did you abandon me  
Baby you'll see when you  
And I wonder if you'll ever find out how it was supposed to be, baby  
Said I wonder if you'll ever find out how it was supposed to be, baby  
Now when I think back the days you were mine  
Oh how I wish I can flip a switch to turn back the hands of time (oh baby)  
You were the one that made me real  
Now that you're gone tell me what in the world am I suppose to feel.  
Without you here with me  
And I wonder if you'll ever find out how it was supposed to be baby  
Said I wonder if you'll ever find out how it was supposed to be baby  
Listen  
Something tells me I've been wrong  
Of the love I felt that you should have given  
Never thought you would leave me on my own  
But I see that it's over  
And I hope one day you're mine  
And I wonder if you'll ever find out how it was supposed to be baby  
Said I wonder if you'll ever find out how it was supposed to be baby  
And I wonder if you'll ever find out how it was supposed to be baby  
Said I wonder if you'll ever find out how it was supposed to be baby (yeah)
