

Ryan Leslie, Life-Line

This is a call to anyone within the sound of my voice
cus i need help i think im going under (he thinks hes going under)
see me n my women we be trying our best to straighten things out but it aint working lord knows it a
and i need somebody to help me out

(Chorus)

Somebody throw a life line
i think its almost over
somebody throw a life line
i think were almost thru
somebody throw a life line
cus i dont wanna lose her (nd i need some help with my situation)
somebody throw a life line
can u please do it too

2nd verse

its like im speaking a different language
cus when i try to talk it seems she never understands me
nd we tried everything even seperated
but it doesnt work all we do is hurt
so im begging somebody pleasee

(Chorus)

Somebody throw a life line
i think its almosty over between us
somebody throw a life line
i think were almost thru (nd i gotta know if we gotta chance nd its tearing me up inside)
somebody throw a life line
cus i dont wanna lose her (somebody help me nd come to my rescue)
sombedy throw a life line

Its something like drowning
something like sinking
cant get a breath its like were lost at a sea
when ur tossing n turning nd u dont know if help is on the way
but i pray that it is and shes all that i know so pleeaaseee

(Chorus)

Somebody throw a life line
i think its almosty over
somebody throw a life line
i think were almost thru
somebody throw a life line
cus i dont wanna lose her (nd i need some help with my situation)
sombedy throw a life line
