

Ryan Montbleau, Already There

Dream on, dream on as I may
I get a little closer every day
To what I think it should be.
I drive a little bit further, further
A little further down the road.
And worry, worry as I may,
I get a little further away,
From what I think it should be.
I drive a little bit further,
From where I stopped along the road.

Another mile or two,
I'll be back in good graces.
Pristine view of that golden valley below.
Another mile or two, I know it won't be long until I get there.
Lord, can you give me,
Another mile or two.

Already there.
But I'm still striving,
Driving down an endless highway
Still looking to get there.
And I know not what, but I'll know it when I see it,
A little further down the road.
