

Ryan Pugal, JukeBox Lullaby

My Hearts, Beating
Waiting for you to come home,
I'm still, Waiting
Waiting patiently for your call
Needing, To free me
Is not so easy when your in love
Lonely, Love me
It's Not so easy
And I know
For a while, now it's been over
But I, can't contimplate, and I
Can't situate, that the,
Love that we made is all over,
Your Gone and
Where Did you Go
The way, It feels
It's like a knife tearing my heart apart
If you, could see me
Baby I'm drowning in my own tears
I need you, I want you
Without you, I'm so incomplete
Remember what we had
Baby I still want you
And I know
For a while, now it's been over
But I, can't contimplate, and I
Can't situate, that the,
Love that we made is all over,
Your Gone and
Where Did you Go
Cause I can't stop
Wont stop, thinking 'bout
Loving you, Holding you
All through the night
Cause I can't stop
Wont stop, thinking 'bout
Loving you, Holding you
All through the night
Your Gone and
Where Did you Go
