

# Ryan Pugal, Ride Til' The End

No Need to be asking me these questions  
It's only you I love you Baby Only you baby  
But baby since were on this only simple subject  
Is It only me and Only I that you love baby  
Did you get the dozen roses that I sent ya'  
The hidden teddy bear the hidden love letter  
You see my baby see my shorty it's a simple fact  
That I would sacrifice and bleed for you and die for you

Bridge:

You are my baby true You and me we stick like glue  
Baby Forever me and you, Forever me and you  
that's why you are the one  
Baby we belong

Chorus:

I'll Ride til the end with you  
No Matter What baby I will  
Hand and Hand You and I  
Til the sun comes Up Til the sun Goes Down  
I'll Ride til the end with you  
No matter what comes our way  
You and me we gotta stick together  
Whenever were in Public  
Walking Hand and Hand for sure  
You know that I'll be there  
I'll never Cheat on you, Sneak on you Never lie to you  
You say you want someone committed  
Baby I'm the man whos willing  
Aslong as we got understanding  
And twenty four seven love is demanded  
I'll be your best friend  
Let you talk to your girls whenever needed  
All we need is love and honesty  
And everything else will come so easily

(Bridge)

(Chorus)

Ooh... I love you ( Baby I love you, Babe)  
Ooh Yes I do ( baby you know, baby you know I do)  
Nobody else Is gonna love you but me  
Baby I know you and baby you know me  
Nobody else Is gonna love you but me  
Baby I know you and baby you know me  
(Chorus)
