

# Ryan Shupe & The RubberBand, It's Clear

driving in my car  
i'm feeling oh so far  
away from you  
so what's new  
i wish that you would care  
i wish that you weren't there  
just you and him  
things are looking grim

it's clear you're not coming  
back to me, i fear  
and i know you're not coming  
back to me  
and so i often wonder why  
love is sweet and kind  
and hard to find

they say the man behind the mask  
is not an easy task to see  
so woe is me

waiting for the phone  
to cooperate but it's too late and

the mirror does not try  
to deceive it does not leave  
the scars that you have often made  
it's hard for them to fade  
and now i hear  
the message and it's
