

S Club 7, Bring It All Back

Bring it all back now

Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you

Hold on to what you try to be
Your individuality
When the world is on your shoulders
Just smile and let it go
If people try to put you down
Just walk on by don't turn around
You only have to answer to yourself

Don't you know it's true what they say
In life it ain't easy
But your time's coming around
So don't you stop trying

Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you (bring it all back now)
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you (bring it all back now)

Yeah yeah

Bring it back
Bring it back
Na na na

Try not to worry 'bout a thing
Enjoy the good times love can bring
Don't keep it all inside you
Gotta let your feelings show
Imagination is the key
'Cos you are your own destiny
You never should be lonely
When time is on your side

Don't you know it's true what they say
Things are set to try you
But your time's coming around
So don't you stop trying

Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back to you (bring it all back now)
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you (bring it all back now)

Don't you know it's true what they say
Things happen for a reason
But your time's coming around
So don't stop trying

Bring it all back to you (bring it all back now)
