S Club 7, Have You Ever?

Sometimes it's wrong to walk away Though you think it's over Knowing there's so much more to say Suddenly the moment's gone And all your dreams are upside down And you just wanna change the way the world goes round Tell me

Have you ever loved and lost somebody Wish there was a chance to say I'm sorry Can't you see? That's the way I feel about you and me, baby Have you ever felt your heart was breaking Lookin' down the road you should be taking I should know 'Cause I loved and lost the day I let you go

Can't help but think that this is wrong We should be together Back in your arms where I belong Now I finally realize, it was forever that I'd found I'd give it all to change the way the world goes round Tell me

Have you ever loved and lost somebody Wish there was a chance to say I'm sorry Can't you see?

That's the way I feel about you and me, baby Have you ever felt your heart was breaking Lookin' down the road you should be taking I should know (I should know) 'Cause I loved and lost the day I let you go

I really wanna hear you say That you know just how it feels To have it all and let it slip away Can't you see? Even though the moment's gone I'm still holding on somehow Wishing I could change the way the world goes round Tell me

Have you ever loved and lost somebody Wish there was a chance to say I'm sorry (I'm sorry) Can't you see? (oooh) That's the way I feel about you and me, baby Have you ever felt your heart was breaking Lookin' down the road you should be taking I should know (I should know) 'Cause I loved and lost the day I let

Yes, I loved and lost the day I let

Yes, I loved and lost the day I let you go
