

# S Club 7, Hope For Future

Jo:

I'm out for the weekend (Da do do daaa)  
With nothing to do  
I'm missing the good times, what about you

Bradley:

Now we could be lovers  
Now we could be friends  
Now we could do anything we can pretend

Jo:

Once upon a time  
Don't you know that I was wrong and you were right

Chorus:

Something's coming over me  
Changed my mind now I can see  
You're my hope for the future  
Girl you know we've come so far  
Don't let go and break my heart  
You're my hope for the future

Bradley:

Back there in high school  
Foolish and free  
I never realised how sweet it could be

Jo:

Once upon a time  
Don't you know that I was wrong and you were right

Chorus:

Something's coming over me  
Changed my mind now I can see  
You're my hope for the future  
Girl you know we've come so far  
Don't let go and break my heart  
You're my hope for the future  
...to fade...
