

# S Club 7, Hope For The Future

I'm out for the weekend (da do do daaa)  
With nothing to do (da do do daaa)  
I'm missing the good times  
What about you, yeah (oh yeah, oh yeah)  
Now we could be lovers (da do do daaa)  
Now we could be friends (da do do daaa)  
Now we could do anything  
We can pretend, yeah

Once upon a time  
Don't you know I was wrong and you were right

Something's coming over me  
Changed my mind now I can see  
You're my hope for the future  
Girl you know we've come so far  
Don't let go and break my heart  
You're my hope for the future

Back there in high school (da do do daaa)  
Foolish and free (da do do daaa)  
I never realised  
How sweet it could be, yeah (doo doo)

Once upon a time  
Don't you know I was wrong and you were right

Something's coming over me  
Changed my mind now I can see  
You're my hope for the future  
Girl you know we've come so far  
Don't let go and break my heart  
You're my hope for the future  
[Repeat to fade]
