

S Club 7, Say Goodbye

In the years to come
Will you think about these moments that we shared
In the years to come
Are you gonna think it over
And how we lived each day with no regrets

Nothing lasts forever though we want it to
The road ahead holds different dreams for me and you

Sometimes goodbye, though it hurts in you heart
Is the only way for destiny
Sometimes goodbye, though it hurts
Is the only way now for you and me
Though its the hardest thing to say
I'll miss your love in every way
So say goodbye
But don't you cry
'Coz true love never dies

In a year from now
Maybe there'll be things we'll wish we never said
In a year from now
Maybe we'll see each other
Standing on the same street corner, no regrets

Each and every end is always written in the stars
If only I could stop the world, I'd make this last

Sometimes goodbye (sometimes goodbye), though it hurts in you heart
Is the only way for destiny (is the only way for destiny)
Sometimes goodbye (sometimes goodbye), though it hurts
Is the only way now for you and me (is the only way for you and me)
Though its the hardest thing to say
I'll miss your love in every way
So say goodbye (so say goodbye)
But don't you cry
'Coz true love never dies

And when you need my arms to run into
I'll come for you
Nothing will ever change the way I feel

Sometimes goodbye (sometimes goodbye), though it hurts in you heart
Is the only way for destiny (is the only way for destiny)
Sometimes goodbye (sometimes goodbye), though it hurts
Is the only way now for you and me (is the only way for you and me)
Though its the hardest thing to say
I'll missing your lovin' every day
So say goodbye
But don't you cry

Because a true love never dies
