

S Club, Dancing Queen

You cant dance, you cant jive
Not having the time of your life
See that girl, watch that scene
Dig in the Dancing Queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in the swing
You come into look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And you'll never get the chance...

To be the Dancing Queen
Never young or sweet, only seventy
Dancing Queen
Never feel the beat from the tambourine
You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Dig in the Dancing Queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen
Young and sweet, only seventeen
Dancing Queen
Feel the beat from the tambourine
You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Dig in the Dancing Queen

Dig in the Dancing Queen
Dig in the Dancing Queen
Dig in the Dancing Queen
