

S Club, Friday Night

Help us get this started
everyone's excited
we'll spend the whole time groovin'
cause what we really like
is to party on Friday night

I got my friends and we're here to groove(Na Na Na Na Na)
Nothing's wrong aint nuthin' to prove
don't need no cash just bring a friend
cause we're gonna party all night again

1 can't make a party
2 is not enough to get down
3 you still get lonely cause tonight's the night for crowds

You can make it better
We can help a little bit too
us and you together there ain't nothin' we can't do

Help us get this started
cause it's time to call your friends
everyone's excited
cause it's Friday night again
we'll spend the whole time groovin'
just like we do
cause what we really like
is to party on Friday night

schools all out now it's time to play(Na Na Na Na Na)
weekends come like a holiday
best thing is that I got my crew
and if you want you can join us too
