

S Club, Someday, Someway

Some-someday, some-someway
I'll understand

I can't stand to see you sad
I can't bear to hear you cry
You can't tell me what you mean
All I can do is wonder why

(Chorus)
Someday, someday (with some need to cry)
Someday, someday, ('coz I wonder why)
Someday, someday, maybe I'll understand you

After all you've done for me
All I really want to do
Is take the love you brought my way
And give it all right back to you

(Chorus)

You've taken it away from me
I've taken it away from you
I love you and out of all I'm true

After all you've done for me
All I really want to do
Is take the love you brought my way
And give it all right back to you

(Chorus)

You've taken it away from me
I've taken it away from you
I love you and out of all I'm true

I can't stand to see you sad
I can't bear to hear you cry
You can't tell me what you mean
All I can do is wonder why

After all you've done for me
All I really want to do
Is take the love you brought my way
And give it all right back to you

(Chorus)
