

S Club, Stand By You

Damn you I think I can feel
Something special Going on
Something that is happening between us
I feel more than you could ever imagine
It's so clear I want you to know...

CHORUS

I'm gonna stand by you
If you want me to
I'm gonna stand by you
If you want it tonight
I will stand by you
'Cause I wanna be with you
I'll stand by you
stand by you
Stand by, stand by you (x 4)

I only want to to be with you (x 2)

Damn you, don't you know it's
so good together us two
Nothing's gonna come in between us
I know we go in two different directions sometimes
But you will always be on my mind

And if you think you ain't got nobody
I just want you to know...

CHORUS (x 2)

'Cause I want to be with you,
I'll stand by you
Cause I want to be with you,
I'll stand by you
