

S Club, We Got It

I see you staring at me,
you like me,
don't you,
i do,
you know it's true,
yes you do,

[Chorus]
I got it,
you know it,
and i really like to show it,
We got it,
you don't know it but you know we got it

I got style and can sing,
i don't sing about everything,
so cmon get on your feet,
ooo-ya-a-a

[Repeat chorus 3x]
