I see you staring at me, you like me, don't you, i do, you know it's true, yes you do,

[Chorus]
I got it,
you know it,
and i really like to show it,
We got it,
you don't know it but you know we got it

I got style and can sing, i don't sing about everything, so cmon get on your feet, ooo-ya-a-a

[Repeat chorus 3x]
