

S.J.K., It's Me

[M: Dilian Arnaudov; L: Dilian Arnaudov]

I am the Evil inside and around you
I am the Killer hidden in the dark
I am the Beast who get even with you
I am Undertaker, your sleep of Death

[Chorus:]

I have a deadly hatred for you
I'm gonna wring your fuckin' neck
I have a deadly hatred for you
I'm gonna rip you son of a bitch

I am the Curse falls upon you
I am the Terror that you feel
I am the Hell that awaits you
I am the Master of your life

[Chorus:]

I have a deadly hatred for you
I'm gonna wring your fuckin' neck
I have a deadly hatred for you
I'm gonna rip you son of a bitch
