Na na na na na na na
Na na na na na na
Na na na na na na na
Oh oh ooh
Na na na na na na na
Na na na na na na
Na na na na na na na
Oh oh ooh
I used to be the girl
Nobody believed
Used to live inside a world
No one ever sees
And when the other girls
Ran around in town
I had my only friend
Doggin' me around
Girl you got to get yourself a rude attitude
Why should I believe in you?
Cause you can do what you like
If you dig what you do
Your life will be better that way
Yeah you can do what you like
If you dig what you do
Let nobody get in your way
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
I remember just how it used to be
How bad I used to feel when they looked at me
Girl you got to be like we like
If you wanna hang
I won't let it happen it again
Cause you can do what you like
If you dig what you do
Your life will be better that way
Yeah you can do what you like
If you dig what you do
Let nobody get in your way
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you like
Do what you like
Do what you like
Do what you like
Do what you like
Do what you like
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Do what you wanna do (do what you wanna do) yeah ih yeah
Cause you can do what you like
If you dig what you do (do what you like)
Your life will be better that way (do what you like)
Yeah you can do what you like
If you dig what you do (do what you like)
Let nobody get in your way
Yeah you can do what you like
If you dig what you do
Your life will be better today
