

# S.O.A.P., Not Like Other Girls

I am not like other girls  
I don't breathe for Sundays  
I want you here and in my arms  
I can't just smile and turn away  
I am not like other girls  
I don't breathe for Sundays  
I want you here and in my arms  
I can't just smile and turn away  
I have prayed from a distance  
Since you've been out of my reach  
I can't hold on to reason  
And practice what I preach  
In my dreams we're together  
There is no one else in my heart  
Love is stronger than leather  
You should have known right from the start  
I am not like other girls  
I don't breathe for Sundays  
I want you here and in my arms  
I can't just smile and turn away  
I am not like other girls  
I don't breathe for Sundays  
I want you here and in my arms  
I can't just smile and turn away  
I have made my decision  
I will give into your kiss  
I can't hide my emotions  
Pretend you don't exist  
In all my dreams we're together  
And I can't get you out of my head  
My love it floats like a feather  
But it falls if you forget  
I am not like other girls  
I don't breathe for Sundays  
I want you here and in my arms  
I can't just smile and turn away  
I am not like other girls  
I don't breathe for Sundays  
I want you here and in my arms  
I can't just smile and turn away  
Ba ba ba ba ba  
Ba ba ba ba ba  
Ba ba ba ba ba  
Come with me tonight  
Ba ba ba ba ba  
Ba ba ba ba ba  
Ba ba ba ba ba  
Come with me tonight  
I am not like other girls (I'm not your ordinary girl)  
I don't breathe for Sundays (I'm not part of that society)  
I want you here and in my arms (send me diamonds and pearls)  
I can't just smile and turn away (that aint doing it for me)  
I am not like other girls (I'm not your ordinary girl)  
I don't breathe for Sundays (I'm not part of that society)  
I want you here and in my arms (send me diamonds and pearls)  
I can't just smile and turn away (that aint doing it for me)
