

# S.O.A.P., Stand By You

I only wanna be with you  
I only wanna be with you  
Damn you,  
I think I can feel something special going on  
Something that has happened between us  
I feel,  
More than you could ever imagine  
It's so clear,  
I want you to know  
I'm gonna stand by you  
If you want me to  
I'm gonna stand by you  
If you want it tonight  
I will stand by you  
Cause I wanna be with you  
I'll stand by you, stand by you  
Stand by  
Stand by you  
Stand by  
Stand by you  
Stand by  
Stand by you  
Stand by  
Stand by you  
I only wanna be with you  
I only wanna be with you  
Damn you,  
Don't you know we're so good together  
Us two,  
Nothing's gonna come in between us  
I know we'll go into different directions sometime  
But you will always be on my mind  
And if you think you aint got nobody,  
I just want you to know  
I'm gonna stand by you  
If you want me to  
I'm gonna stand by you  
If you want it tonight  
I will stand by you  
Cause I wanna be with you  
I'll stand by you, stand by you  
Stand by  
Stand by you (I will stand by you)  
Stand by  
Stand by you (yeah yeah ih yeah yeah)  
Stand by  
Stand by you (I'm gonna stand by you)  
Stand by  
Stand by you (you'll never feel blue)  
Stand by  
Stand by you (I gotta stand by you)  
Stand by  
Stand by you (feels so good)  
Stand by  
Stand by you (I'm gonna stand by you)  
Stand by  
Stand by you (and it feels so good)  
Stand by  
Stand by you (feels so good)  
Stand by  
Stand by you (feels so good)  
Stand by  
Stand by you (know you do)
