Come on, come on, come on, come on, come-come-come on, come on come on (come on)

I love you baby,

The way you shake it,

You drive me crazy,

But we can make it,

We're like a team now,

And all you gotta do is to reach out.

I never feel lonely when I'm with you, (oh ooh)

You make me feel your sweet loving coming through, (wou wou).

We are the good,

And we're gonna come a long way baby,

So let's get it on, come on
