

S.O.S. Band, Just The Way You Like It

You have been single for a long time
And I don't wanna cramp your style
Still, you insist you want to settle down
But I know better, you can't change years over night
And asking that , I would never do
So here's the solution that comes to mind

I'll be your number one
you still can have your fun
whenever you need love
I will give it to you, just the way you like it
you keep your other girls
until you settle down
whenever you get bored
I will give it to you just the way you like it

Just the way you like it woooo oooooh
Just the way you like it

If you plan on loving me for a lifetime
It doesn't matter what you do
With other girls, they just cant change your mind (oh no)
'cause when you tire of them, you'll come back to me
I wont tie you down
You can play around
'cause you know where the best love is found (right here)

I'll be your number one
you still can have your fun
whenever you need love
I will give it to you, just the way you like it
you keep your other girls
until you settle down
whenever you get bored
I will give it to you just the way you like it
