

# S.O.S. Band, Take Your Time (Do It Right)

Let's do it  
Let's do it  
Oh  
Let's do it  
Baby  
Take your time  
Let's do it  
Come on, Baby  
Oh  
Let's do it  
Baby  
Take your time  
Let's do it

You know you ought to slow down  
You been working too hard  
And that's a fact  
Sit back and relax a while  
Take some time to laugh and smile  
Lay your heavy load down  
So we can stop and kick back  
It seems we never take the time to do  
All the things we want to, yeah

Now, Baby we can do it  
Take the time  
Do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time  
Do it right  
We can do it, baby  
Do it tonight

The love I feel for you  
You feel for me  
One life is all we have to live  
Our love is all we have to give, yeah  
There are so many things  
For us to do and see  
Let's take some time to be alone  
Lock the door  
Pull out the phone, yeah

And baby we can do it  
Take the time  
Do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time  
Do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time  
Do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time  
Do it right  
We can do it, baby  
Do it tonight

Take your time  
Take the time  
Take the time...
