

# Sabrina, All Of Me

All of me, all of me wants all of you  
I know that boys are all the same  
They wanna be a Casanova  
They think that love is just a game  
And not worth crying over  
But I been thinking about you  
Since you've been looking at me  
And I've got something to say  
I know some girls who run around  
Like life is just a movie  
But pretty soon they all find out  
Things are not worth losing  
Though I'm attracted to you  
And yes I wanted you too  
But I've got something to say  
Boy oh Boy  
Won't share you with another  
All of me wants all of you  
Boy oh Boy  
Don't want a part time lover  
All of me wants all of you  
I know you've got some other girls  
I think 'bout my reputation  
Woh, woh, woh  
You've got to stop your running wild  
Make love your destination  
Woh, woh, woh  
Though I'm attracted to you  
And yes I wanted you too  
But I've got something to say  
Boy oh Boy  
Won't share you with another  
All of me wants all of you  
Boy oh Boy  
Don't want a part time lover  
All of me wants all of you  
Boy oh Boy  
Won't share you with another  
All of me wants all of you  
Boy oh Boy  
Don't want a part time lover  
All of me wants all of you  
Boy oh Boy  
All of me wants all of you  
Boy oh Boy  
All of me wants all of you  
I know that boys are all the same  
They wanna be a Casanova  
They think that love is just a game  
And not worth crying over  
But I been thinking about you  
Since you've been looking at me  
And I've got something to say  
Boy oh Boy  
Won't share you with another  
All of me wants all of you  
Boy oh Boy  
Don't want a part time lover  
All of me wants all of you
